## SPORT

Despite our operational commitments and our low strength we have contrived to keep a full programme of sport.

### HOCKEY

After a series of friendly games in which we were very successful we played "6 Field Park Squadron" in the 1st Round Div. Knockout Cup and, after a thrilling game, won 4—3. Our next opponents were "6 Field Regt. R.A." and as last year we had a very good game but succumbed to them 3—1. We would like to congratulate our victors and hope that they may go on to win the Cup. The following represented the Bn.:—

Major Chamberlain  
Capt. Pedrick  
Capt. Morris  
RSM Dyson  
CSM Froggatt  
Sgt. Morton  
Sgt. Hopper  
Cpl. Revell  
C/Sgt. Edwards  
Pte. Hammond

### FOOTBALL

Owing to the great number of men proceeding on release our Bn. team is now practically devoid of any players who won the 3.Bde Knockout Competition in TRANSJORDAN. However we entered our team in the 1st. Div League. Every match has been well fought out, and we acquitted ourselves quite well—
